FoodChain ID[®] Non-GMO Global Standard For Traceability and Identity Preservation

This is to certify that

Polynt UK Ltd

Station Road, Cheddleton
Staffordshire, ST13 7EF

Operates in conformance with the

FoodChain ID Non-GMO Global Standard version 6, demonstrating the organisation's capability to produce "non-GMO" products and compliance with Regulations (EC) No 1829/2003 and 1830/2003 as amended, concerning the traceability and labelling of genetically modified organisms and the traceability of food and feed products produced from genetically modified organisms. The systems and procedures which demonstrate compliance with the FoodChain ID Non-GMO Global Standard are validated through audit and supported by sampling and testing protocols. This certificate only validates the systems and procedures of the organization detailed above, and is not valid for trade and in particular, does not certify the non-GMO status or traceability of any specific batch of product.

Scope of certification

The processing of Diacetin and Triacetin (from glycerine which is made from Non-GMO Rapeseed oil) and storage in bulk and packing into IBC's drums and kegs.
