

Polynt Group

**Leading Integrated
Specialty Chemical Player**

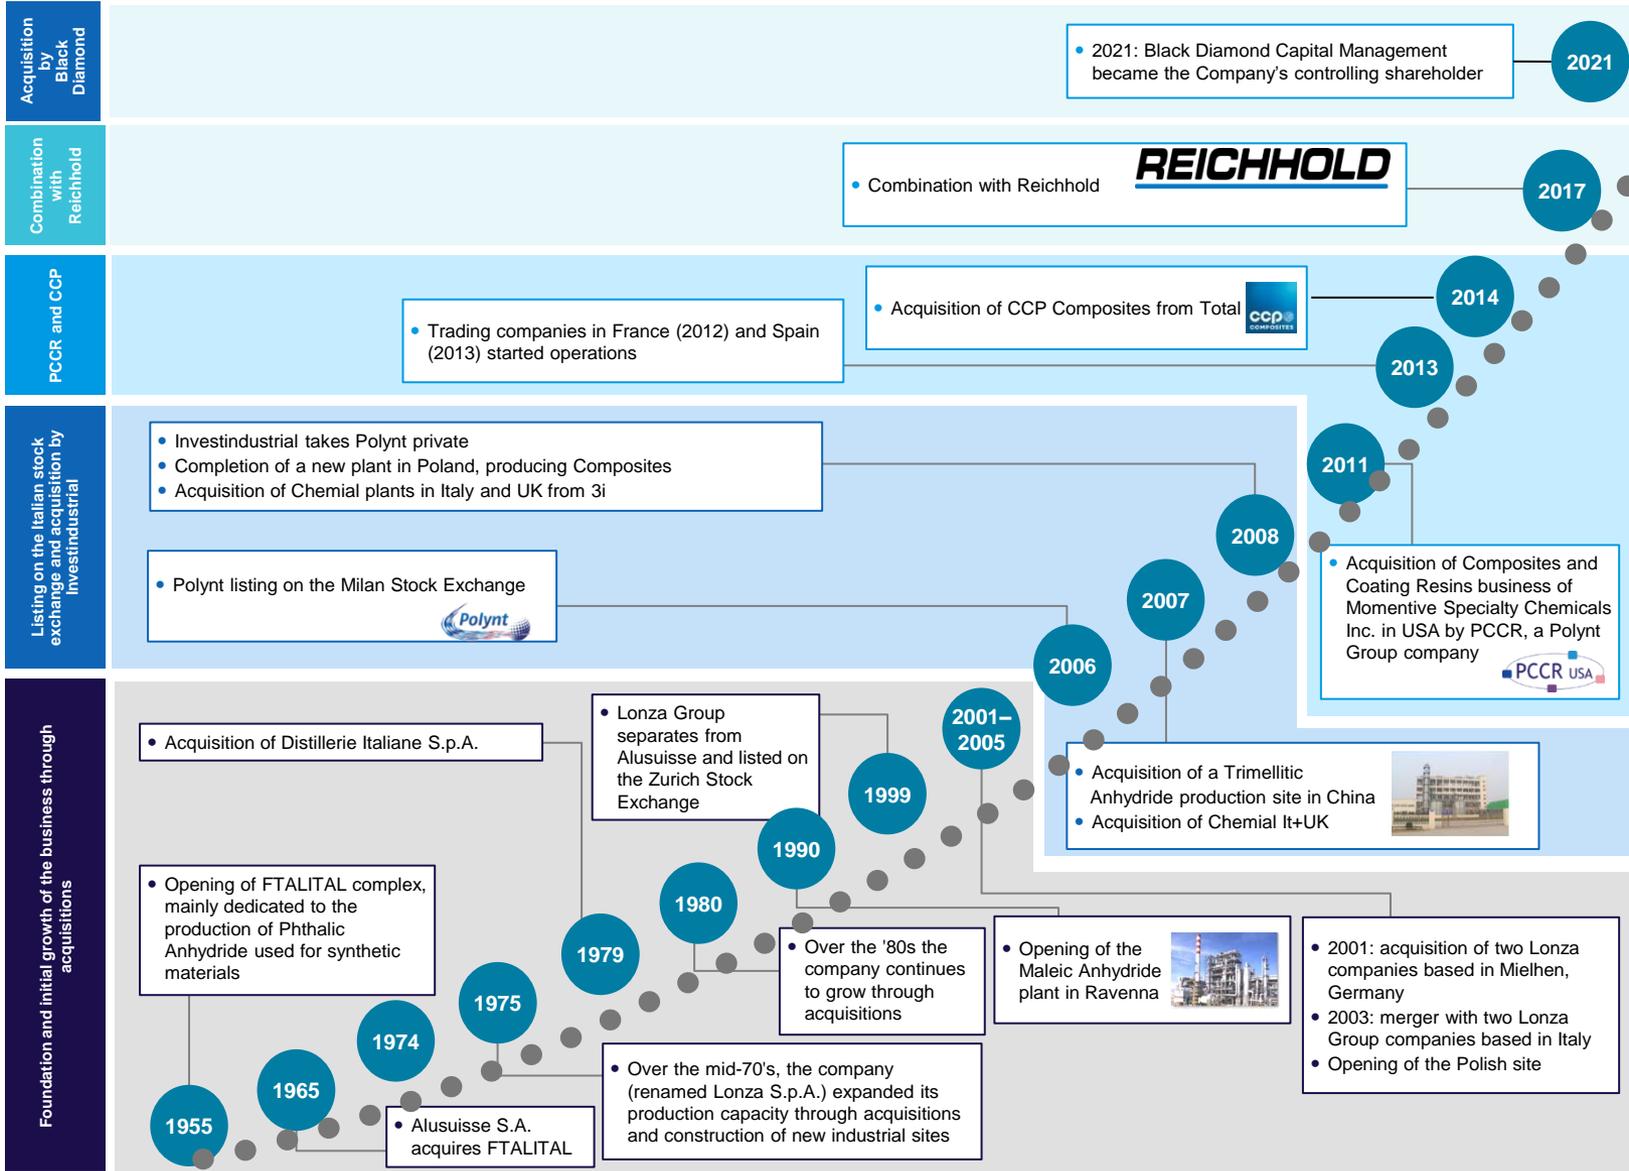

2021 Financial Information

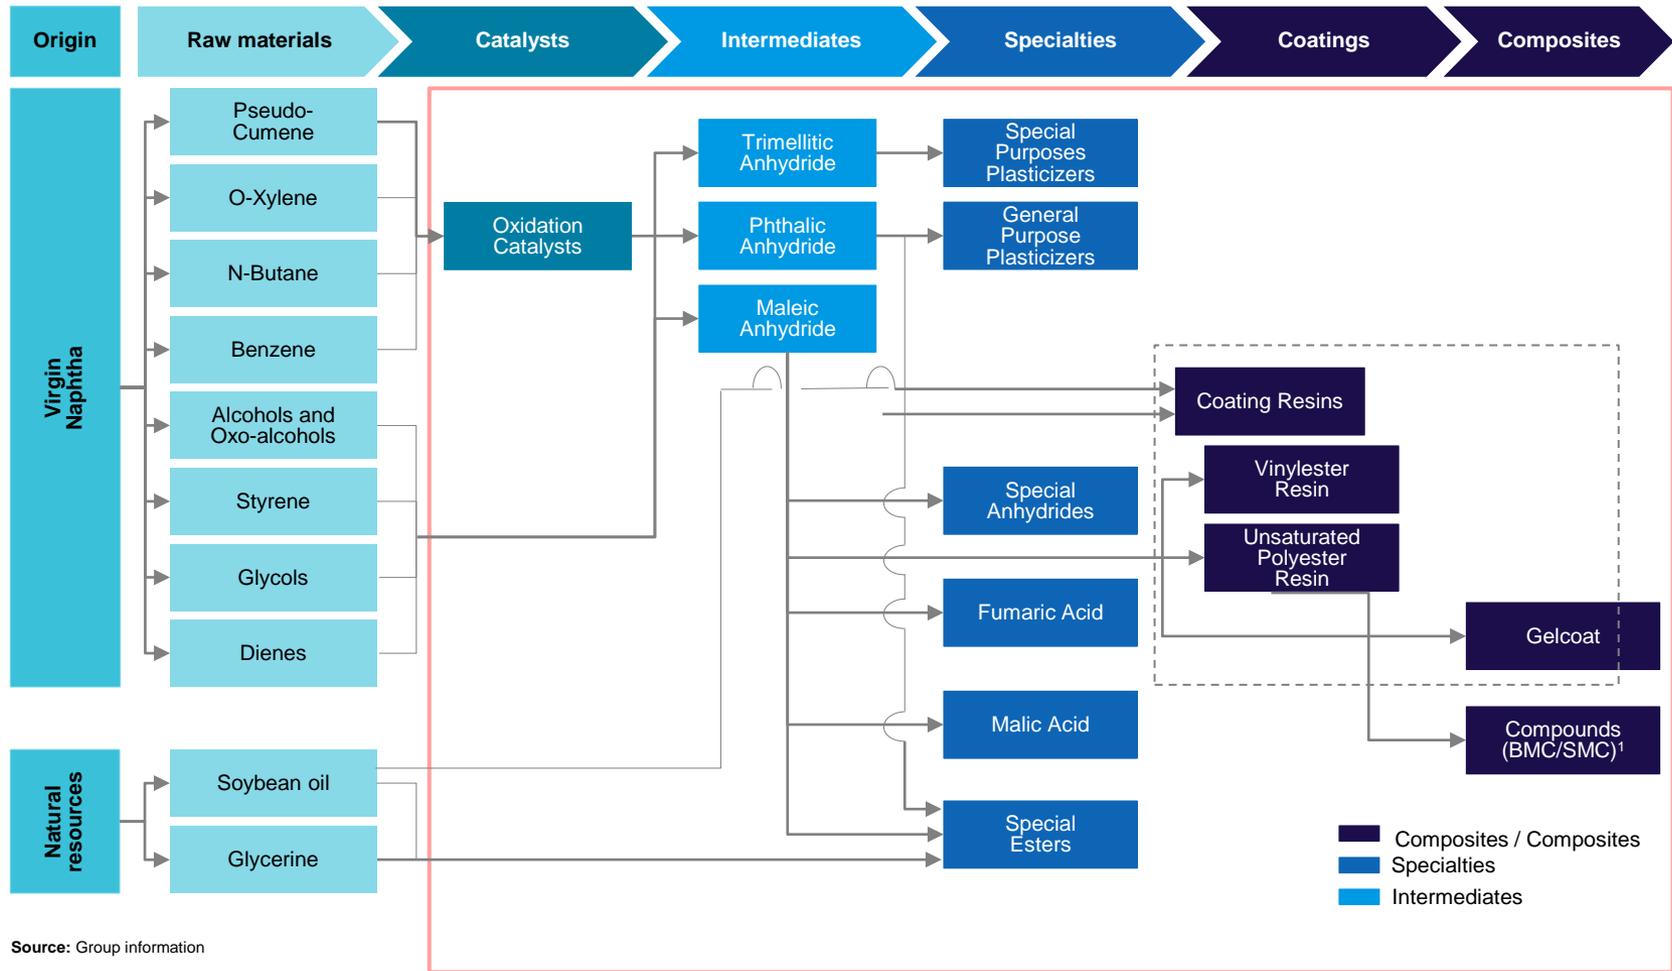

Polynt: 60 years of success in the chemicals industry

Corporate development timeline

Integrated business model

Notes:

¹ BMC: Bulk Moulding Compounds; SMC: Sheet Moulding Compounds

Internal processes

Product summary and end markets

	Coating and Composites	Specialties	Intermediates
Products	<ul style="list-style-type: none"> • Unsaturated Polyester Resins (UPR) • Coating Resins • Gelcoat • Thermoset Compounds (BMC/SMC) 	<ul style="list-style-type: none"> • Special Anhydrides • Special Esters • Special and General Purpose Plasticizers (SPP & GPP) 	<ul style="list-style-type: none"> • Maleic Anhydride (MA) • Phthalic Anhydride (PA) • Trimellitic Anhydride (TMA)
Position	<p> Worldwide in Composites</p>	<p> Worldwide in Special Anhydrides</p> <p> in worldwide in Special Esters and Trimellitic based SPP</p>	<p> in Europe in Trimellitic Anhydride, #2 worldwide</p> <ul style="list-style-type: none"> • Co-leader in Europe in Maleic and Phthalic Anhydride
% of total revenue	<p>Revenue 2021: €1,900 mm¹</p>  <p>81.21%</p>	<p>Revenue 2021: € 346 mm¹</p>  <p>14.79%</p>	<p>Revenue 2021: € 94 mm¹</p>  <p>4%</p>
Product highlights	<ul style="list-style-type: none"> • Batch production • Coating and composites are mainly used in transportation, electrical, construction, aerospace, automotive and marine industries 	<ul style="list-style-type: none"> • Batch production • Large number of formulations and applications • Customisation, innovation, quality and service are distinctive features • Among leading manufacturers of Special Anhydrides and Special Esters (often sole manufacturer in Europe) 	<ul style="list-style-type: none"> • Key raw materials for the other 2 families • Continuous production located in Europe • MA, PA markets have been rationalizing over the past few years • TMA is a niche market globally • Polynt is among the most efficient producers in MA, PA and owns its own Catalyst technology

Revenues breakdown by end market

Sales by geography

Truly global participant, with presence in the Americas, Europe and Asia

Financial highlights

	Actual 2019	Actual 2020	Actual 2021
Volumes sold to third parties (Ktons)	1,050	984	991
Revenues (€m)	2,043	1,746	2,340
EBITDA (€m)	241	261	426
EBITDA %	11,8%	15,0%	18,2%

Net Financial Position

(€m)
Dec 31, 2021

Cash and cash equivalents	225
Short term debts vs banks	(79)
Long term financial indebtedness	(1.270)
IFRS 16 effect on debt	(15)
Net Debt	(1.139)
Leverage Ratio (Net Debt/EBITDA)	2,7
